I am an old and useless ex-England rugby captain, who has just set up a blog, a twitter account and also a virtual Rugby clubhouse!

I was Captain of England Rugby team between 1988 and 1996, which makes me around 42 years old'ish!

If you are a Rugby fan, love a bit of banter and are online, come join [Rucku](#) , a virtual clubhouse we created.

You can read an excellent review of it [here, thanks Mike](#) .

I also am known to ramble and talk shite on Twitter, [add me as a friend](#) if you like that sort of thing, warning it is bloody addictive.

Finally, contacting me, I do as you might imagine get a fair few requests and emails. I do try to answer all and really welcome any feedback on a) RuckU and b) The videos of me talking shite. Please either leave a comment on this blog, send me an @ message on Twitter.

I look forward to what looks set to be a great 2009.

Will
